by most people who know anything about clothes-making, that for superb tailoring, exclusive fabrics, correct style and perfect fit, STEIN-BLOCH SMART CLOTHES.

are superior to all other ready-to-wear clothes—the men, who wear them, say they are as good in every essential feature as the highest-priced custom made apparel.

When you put on a Stein-Bloch Suit or Overcoat, you are immediately conscious of an indefinable something about it that distinguishes it from the general run of ready-to-wear clothing.

The men, who have their clothes made-to-order, are those that we particularly desire to reach—because we know that we can please them—no matter how "individual" they may be, and we'll save them money, too.

# HOUSE DISPLAYS RESERVE POWER

**Passes Four Senate Bills Without Any Debate.**  
**Senate Does Nothing With Its Usual**  
**Avidity for Business.**

Taken both together, the two houses of the Legislature yesterday made a record for shortness of sitting. The Senate had nothing to do. The House did a good deal judged by actual work accomplished, but absolutely without any talk over it all. To have four bills, from the Senate withal, pass the House without either cold or hot air treatment is truly marvelous.

### IN THE HOUSE.

The House of Representatives proved yesterday that it possessed a tremendous reserve power of energy which was available whenever the members saw necessity for its exercise.

Four bills passed second reading—Senate bills at that—and the House adjourned half an hour after opening until 10 o'clock tomorrow morning. The bills were:

An act appropriating \$1500 additional for expenses of the Senate in special session.

An act extending the operation of

the Emergency appropriation act from June 30 to December 31, 1903.

An act supplementary to the unpaid bills act.

An act appropriating \$12,500 for the Auditor to pay the expense of furnishing blank and blank books to the counties.

Mr. Kealawaa, at the opening, introduced the following resolution, which was declared out of order:

"Resolved by the House of Representatives, the Senate concurring, that the members of the baseball teams who muffed all balls yesterday, should be made to run around the Capitol building five times at 12 o'clock noon, this day."

### IN THE SENATE.

"Aole loa—Nothing."

The foregoing was the entry on the order of the day for the Senate yesterday. And the Senators did it with their usual promptness in dispatch of business.

After prayer and reading of the minutes the Senate adjourned until 10 o'clock Monday morning.

## CARDINAL VAUGHAN OF ENGLAND IS DEAD

THE LATE CARDINAL VAUGHAN.

LONDON, England, June 20.—Cardinal Vaughan, Archbishop of Westminster and head of the Catholic Church in Great Britain, died today. Cardinal Vaughan has been ill since March last, when he was forced to give up the active duties of his office.

Cardinal Vaughan came from a family of priests, as four of his brothers are in the service of the church, while his only sister gave all she had to the Sisters of Charity and died a member of that order. The Cardinal had been Archbishop of Westminster since 1892, and was, at his death, the only member from Great Britain of the College of Cardinals. The Cardinal was the founder of numerous schools and missions in England.

### CADET APPOINTED.

Notice was received yesterday that a cadet had been appointed to represent Hawaii. There has been considerable rivalry to secure the appointment but at last comes the welcome news that the new territory is to share in the defense of the nation. Coming from a reliable source the advice may be thoroughly relied upon. Last evening many well wishers called upon the happy appointee and offered hearty congratulations. When the cadet sails for the mainland the Aloha of our land will go with The Douglas Patent Closet, going forth to represent our section of the great nation.

### A Fierce Moorish Battle.

TANGIERS, Morocco, June 20.—A fierce battle between the Moors and rebel forces is reported. The Moors are said to have lost 6,000 killed and wounded.

### Dynamite Explosion.

NEW KIRKLAND, Ohio, June 20.—A bolt of lightning struck a dynamite magazine during a thundershower at New Kirkland today. An explosion fol-

lowed immediately, wrecking the building and shaking up surrounding houses. Six persons were killed and twenty injured.

### Recital by Mr. Kaai's Pupils.

Ernest Kaai, the well known master of stringed instruments, will give a recital on Monday evening, June 22, in Progress Hall. The artists, Mr. Kaai's pupils, will render selections on guitar and mandolin and from the youngest of seven to the older students a wide range will be covered. As this is the first recital of a purely mandolin and guitar class a rare treat is offered the lovers of stringed music. Program will be announced later.

Prince and Princess Kalaniana'ole have issued invitations to an At Home at Pualeilani from 3 to 6 next Saturday. The Prince and Princess will leave with Queen Liliuokalani the following Tuesday for Hilo.

A handsome little daughter is now the ruler of the George Rodiek household. The little one made its initial bow during the week, and is taking to Honolulu right kindly.

Mrs. W. L. Stanley has gone to Kauai to be present at the wedding of her brother, W. L. Danforth, who is at the Makaweli plantation.

## HOW I CURE WEAK, PUNY MEN—AND MAKE PHYSICAL GIANTS

There is one thing that I notice in all my patients: The loss of vital power. They have wasted it in some manner, usually by foolishness. Vital power is what they have lost. I know that I can give it back, so I know that I can cure every weak, puny man who will follow my advice.

With my new improved Belt, the result of many years of study, I will cure any case of weakness.

### OR I WILL FORFEIT \$1,000 IN GOLD

This is no idle boast. I talk straight from the shoulder, and back up anything I say.

With some poor men, who have spent every cent they have earned upon quacks who have promised everything, it is not enough for me to say, "I can cure you." Others have said that and have not cured them. Now I want to prove to them that I can and will, if my advice is followed. I am doing it every day.

Mr. John Klossner, Humboldt, Nev., writes me: "I want to tell you that your belt has done me great good. It is the best thing I ever tried and may the Lord bless you for it. I now feel as if I was only 25 years old."

It makes a man feel young. Youth is health, vigor, courage, ambition. It is joy and happiness.

Give me a man broken down from dissipation, hard work or worry; from any cause which has sapped his vitality. Let him follow my advice for three months and I will make him as vigorous in every respect as any man of his age.

I will not promise to make a Hercules of a man who was never intended by nature to be strong and sturdy. Even that man I can make better than he is; but the man who has been strong and has lost his strength I can make as good as he ever was.

I can give back to any man what he has lost by violation of the laws of nature. I can stop all drains upon his vitality in ten days.

### FREE BOOK

I explain how I do this in my book for men, which I will send, sealed, free on request. Every man who would like to reach the highest physical standard should read it.

A man who is nervous, whose brain and body are weak, who sleeps badly, awakes more tired than when he went to bed, who is easily discouraged, inclined to brood over imaginary troubles, who has lost ambition and energy to tackle hard problems, lacks the animal electricity which the Dr. McLaughlin Electric Belt supplies.

The whole force of vitality in your body is dependent upon your animal electricity. When you lose that by draining the system in any manner my Belt will replace it, and cure you.

Mr. Harry C. Jackson, Vallejo, Cal., writes: "Although you are a stranger to me, my heart warms toward you as a great benefactor and friend, and I am more than grateful to you. Already I can feel the vigor of new life in my body; no aches and no pains. I wish you every success in your work."

Letters like that tell a story which means a great deal to a sufferer. They are a beacon light to the man who has become discouraged from useless doctoring. I get such letters every day.

My Belt has a wonderful influence upon tired, weak nerves. It braces and invigorates them, and stirs up a great force of energy in a man.

I make the best electric body appliance in the world, having devoted twenty years to perfecting it. I know my trade. My cures after everything else has failed are my best arguments.

### FREE ELECTRIC SUSPENSORY FOR WEAK MEN

This suspensory is constructed so as to carry the current to the prostate gland, the seat of all weakness. It is free with Belts for men.

Mr. John Gately, Long Valley, Cal., writes: "Your Belt has relieved me of rheumatism and stomach trouble to such an extent that I can now do a good day's work in peace. I have gained thirty pounds in weight and am still improving."

Give me a man with pains in his back, a dull ache in his muscles or joints, "come-and-go" pains in the shoulders, chest and side, Sciatica in his hip, Lumbago, Rheumatism or any ache or pain, and my Belt will pour the oil of life into his aching body and drive out every sign of pain. No pain can exist where my Belt is worn.

Mr. E. B. Miller of Compton avenue, Los Angeles, Cal., writes: "I have used your high-grade Belt for two months for lame back, rheumatism and weakened nerves, and am now a well man. I have gained over six pounds in weight and feel as strong and hearty as I ever did."

They come every day from everywhere. There is not a town or hamlet in the country which has not cures by Dr. McLaughlin's Electric Belt.

Now, what does this mean to you, dear reader? If you are not what you ought to be, can you ask any better proof to make you try it? Is there a remedy which is as simple, as easy to use, as sure to cure and as cheap as Dr. McLaughlin's Electric Belt? I have not seen one. You must try it. In justice to yourself and to those who look to you for their future happiness, try it now. Act this minute. Such a matter ought not to be delayed.

It is as good for women as for men. Worn while you sleep, it causes no trouble. You feel the gentle, glowing heat from it constantly, but no stinging, no burning, as in old-style belts. I take other belts in exchange. Send for my beautiful book, full of the things which a man likes to read if he wants to be a strong man. I send it, sealed, free. Cut out this ad. and send it to me. Call and test the Belt free.
